

MY UNION. MY VOTE.

Something is happening in America. **Even as CEOs and rich corporations are paying people to go door to door to weaken our power to win fair wages, good benefits and the resources that we need to do our job,** working people are choosing aspiration over fear. We know solidarity is our strength, and any candidate who wants our support must **stop these attacks** and **embrace our agenda.**

OUR FOCUS IS ISSUES

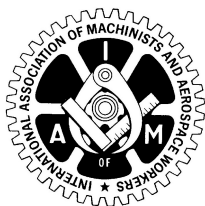

- Good Jobs
- Universal Health Care
- A Secure Retirement
- Fair Trade
- World-Class Public Education
- Building Roads and Bridges
- Just Immigration

WE WILL RALLY AROUND THOSE WHO RALLY AROUND US

- We don't care if you're a Republican, Democrat or Independent.
- If you support our pro-worker agenda, we will support you.
- If you seek to limit our freedoms or attack our rights, we will do everything in our power to defeat you.
- Our message to every candidate is clear: the path to victory runs through the labor movement, not Wall Street.

**STRONG MEMBERS MAKE FOR A STRONG UNION.
MAKE OUR VOICE HEARD THIS NOVEMBER. VOTE!**
